**Beach & Watersports Centre Manager – Swansea Bay £25 to 30K pa**

A purpose built Beach & Watersports Centre is being built on the beautiful Swansea Bay, to open in late summer 2012. The centre will be operated in partnership by Bay Leisure Ltd and Swansea University and aims to attract the local community, students and visitors from all over the UK and beyond.

We are looking for a talented individual to become the Centre Manager and take genuine ownership for setting up, opening and operating this unique facility,

Applicants should have experience of managing a varied team and of operating sport, leisure or similar service based businesses. Knowledge of sport and quality food and beverage delivery is also vital. Candidates must be able to demonstrate a track record in service and high standards linked to a commitment to operating safely. Commercial acumen and partnership working will also be integral to success. A passion for the beach, water and outdoor activities is essential.

In return we can offer a fantastic role and opportunity in a beautiful part of South West Wales, with a competitive salary and a stunning working environment.

If you think you have the unrelenting drive to make this centre the best in the UK then please send a covering letter, explaining why you are the right person for the role, along with your CV to:
